### ***Entrant notes:***

- Answer the question you have been asked – don't just tell us what you think we should want to know
- Always provide examples and be specific - for every question
- Be clear and concise, a longer answer is not necessarily better
- Where appropriate provide numbers, data and metrics to substantiate your response
- Don't assume the judges know how great your business is
- Remember: judging is based on what you write in your submission – think through how to give a robust response to each question and demonstrate why you are a worthy contender

# Award Categories and Questions

## Major Award Categories

### Franchisor of the year under 25 units

The Australian Franchisor of the Year – Under 25 Units Award recognises a franchisor operating within the Australian market that has successfully developed and managed a network of fewer than 25 franchise units.

The winner of this award is eligible for selection as Franchisor of the Year.

This award honours franchisors who demonstrate strong leadership, provide exceptional franchisee support, maintain consistent brand standards, achieve notable business results, and positively contribute to their communities. It celebrates strategic growth, effective systems, and the ability to cultivate a thriving franchise network in its earlier stages of development.

To be eligible for this category a business must have been trading as a franchisor for a minimum 2 years as at 1 January 2025.

### Franchisor of the year 26 - 50 Units

The Australian Franchisor of the Year – 26-50 Units Award recognises a franchisor operating within the Australian market that successfully manages a franchise network ranging from 26 to 50 units.

The winner of this award is eligible for selection as Franchisor of the Year.

This award honours franchisors who demonstrate strong strategic leadership, effective growth management, exceptional franchisee support, robust operational frameworks, and a commitment to innovation and community impact. It celebrates those who have scaled beyond early stages while maintaining high standards, stable franchisee relationships, and a competitive edge in the marketplace.

To be eligible for this category a business must have been trading as a franchisor for a minimum 2 years as at 1 January 2025.

### Franchisor of the year over 51+ units

The Australian Franchisor of the Year – 51+ Units Award recognises a franchisor operating within the Australian market that has successfully scaled its network to over 50 units.

The winner of this award is eligible for selection as Franchisor of the Year.

This award honours franchisors who exemplify outstanding leadership, robust and efficient operational structures, continuous support for franchisees, and sustained brand excellence on a larger scale. It recognizes those who maintain the integrity, innovation, and community engagement essential for thriving in a competitive market while delivering exceptional value to franchisees and customers.

To be eligible for this category a business must have been trading as a franchisor for a minimum 2 years as at 1 January 2025.
